NOTE

All *Private* candidates and *Institutions* should note the following:

- It is mandatory to qualify in a particular level before proceeding to register for the next level.
- Original certificates, results slips or certified true copies of these documents should be submitted for verification at the regional offices before on-line registration.
- Regional Co-ordinators should also note that non-compliance with the above regulations would render a candidate's registration null and void at the time of processing the result.
